

## Landscaping For Bushfire

The Healesville Community Bushfire Group is please to announce our 2019 Forum.

The focus is on garden design and plant selection to reduce the impacts on your home in a bushfire.

Owen and Andrew will discuss:

- Plant selection and flammability ratings
- Plant placement and low fuel areas
- Garden design to reduce bushfire risk

Followed by a Q&A session.

Everyone is welcome to join us at this FREE event.
